Recommended retail prices for new customers and cross sell in EUR (excluding VAT). The charges payable for each contract term will be billed in advance. Only full months will be charged. If usage of the service starts until the 14th of the month (inclusive), the first month will be charged completely and the contract time will start on the 1st of the same month. If usage of the service starts on the 15th of a month or later, the first month will not be charged and the contract time will start on the 1st of the following month. The contract term is 12 months. The contract will automatically be renewed for 12 months if notice of termination is not given three months prior to expiration. This price list applies only to Hornetsecurity Advanced Partners and Premium Partners with an ongoing partner agreement. Advanced Partners and Premium Partners will be granted the agreed partner discount on these prices.

January 2016, price list will be valid until December 31st, 2016
